Human value

Human values are the core principles that shape our behavior and guide us in our interactions with others.

for example:-

- Truth:- telling truth regarding some talk represent your value
- Equality:- not creating discrimination regarding anything represents equality
- Values are vary from person to person, culture to culture
- Universal values are shared by people all over the world like - respect, fairness.
- Value plays a big role in interact with the world shaping "who i am" and how we
- Some example of human value are: empathy, respect, love, wisdom, equality and many more...

factors of human values

1. personal factor- They are the values that come from inside us, shape by our expressions, feelings and believes.
2. social factor- they are the values influenced by the world around us.

How value differ from skills

1. values- values are those which represent your character like: honesty, treatment.
2. skills- skills are those which represent your hobbies like riding, gaming, cooking

Value Education

- Value Education is a type of learning that focuses on teaching students about important principles, morals and ethics
- It's not just about academic subject like math's or science

Importance of value education

- Building characters like:- honesty, kindness and responsibility
- Promoting social responsibilities students became more aware about their roles
- It helps to build strong relations,
- It helps to visualize our goals clearly
- It reduce the feelings of jealousy and promote brotherhood
- It help us to understand our needs and provide directions to fulfill it

Needs of Value education

- Helps us to be a better person
- Guides your decision
- Helps to build strong relationship
- Create a better society
- Boost confidence

Basic Guidelines for Value education

- Respect: - Treat others by being polite. And kind.
- Honesty: - Always tell truth.
- Responsibilities: - Doing your task with dedication and being accountable. For your mistake,
- Self-discipline: - Control your actions and behavior, especially in Challenging situation.
- Fairness: - treat everyone equally and Justly

Process of value education

- The process of value education has to be that of self-exploration
- Whatever is found as truth or reality may be stated as proposal and has to be verified at the own right.
- It is the process of dialogue between "what you are" and "what you really want to be".
- This process helps you be in harmony within yourself and in harmony with everything around.

Self-exploration

- It is the process of dialogue between "what you are" and what you really want to be".
- It is a process of self evolution through self investigation.
- It is a process of knowing oneself and through that, knowing the entire existence.
- It is a process of knowing human conduct, human character and living accordingly.
- It is a process of being in harmony in oneself and in harmony with entire existence.

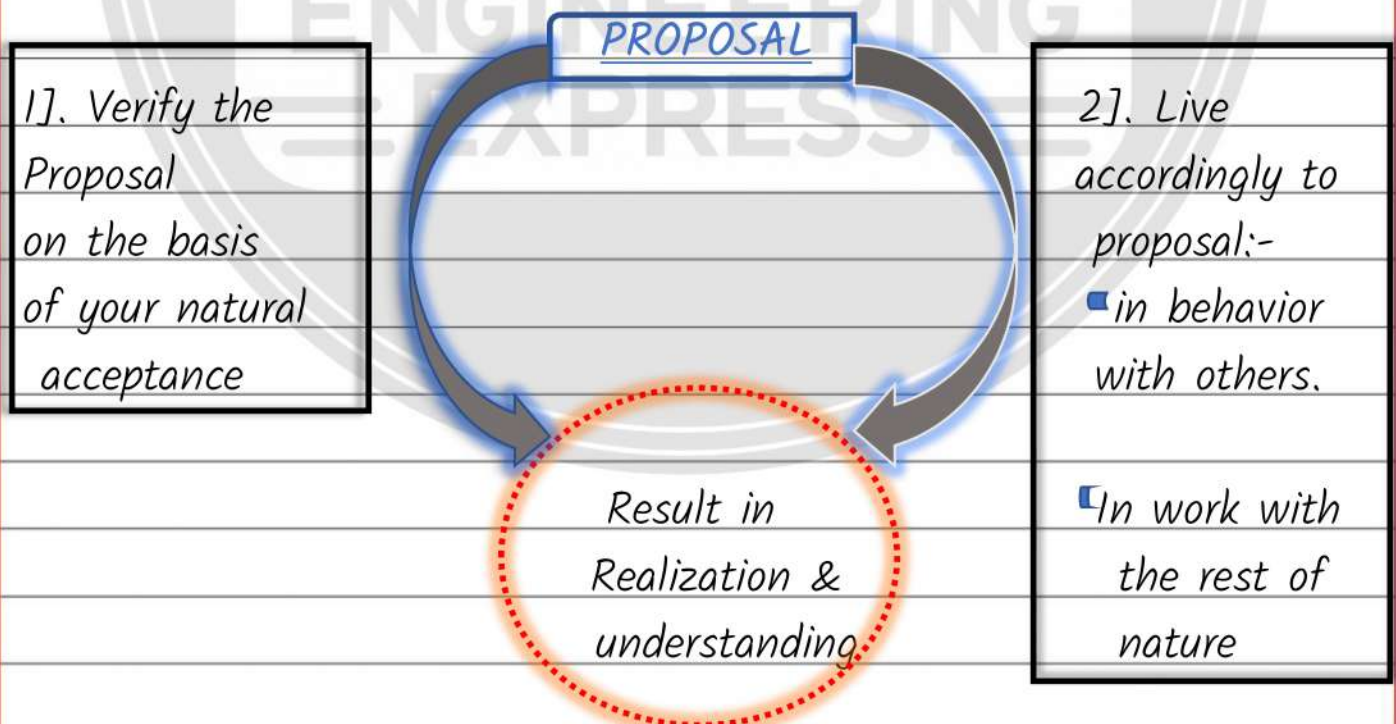

Basic contents of self-exploration

Contents of self exploration is just finding answers to the following fundamental questions of all human beings.

1. **Desire goal:-** what are my desire goals? what do I really want in life? what is the goal of human life?
2. **Program:-** What is my program for fulfilment the desire? how to fulfill it?

In summary the above two questions cover the whole domain of human aspiration thus they form the content of self exploration

Process of self exploration-->

Natural acceptance

Natural acceptance is a way to accept the good things naturally

for example:- food for nurturing
cloths for body

characteristics :-

- It does not depend on the place
- It does not depend on our past conditions
- It is same for all of us, it is part of humanness
- It doesn't change with time

Experimental validation

Experiment validation involves testing an Idea or proposal through personal experience and observation

Basic human aspiration

- Make a list all you want in life
 1. To be an engineer
 2. first ranker
- Now ask your self why do you want those all things then the answer is:- to be happy

similarly, human also require physical facilities for fulfillment of bodily needs

the main motive is:

continuous happiness
&
Continuous prosperity

Note: -

→ Prosperity means feelings of having or being able to have physical facilities more than required
→ Includes wealth as well as other factors

Happiness:-

- To be in state of liking
- To be in state of harmony

Unhappiness:-

- To be in state of unliking
- To be in state of disharmony

Note: -

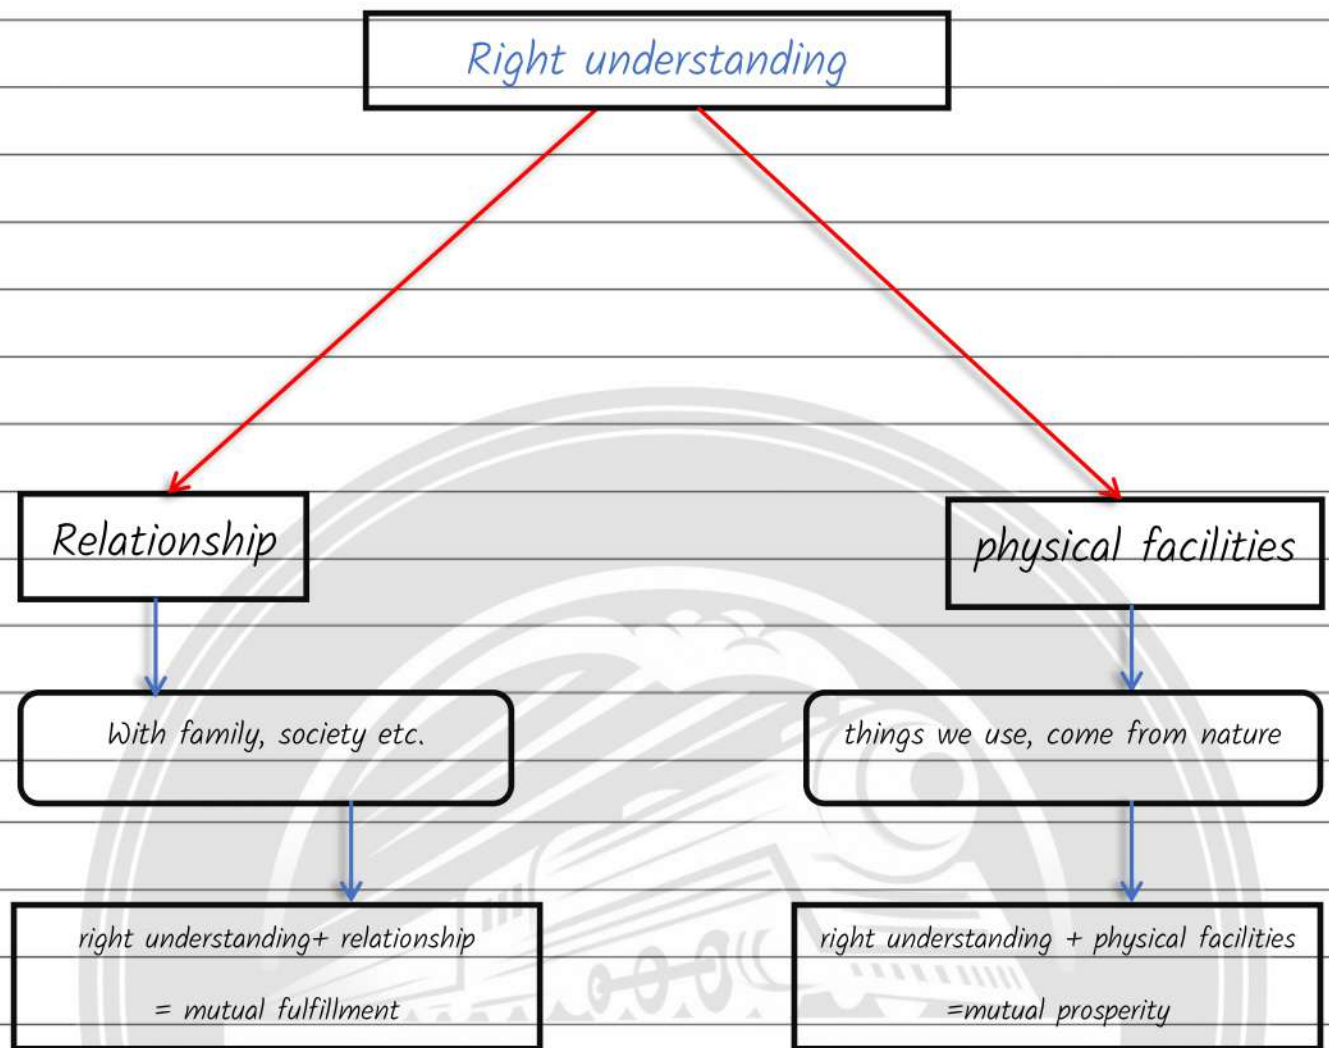

→ Wealth means the state of being rich or having an abundant.
→ wealth is a kind of prosperity.

Program to fulfill basic human aspiration

- ⇒ Besides physical facilities all human want relationship
- ⇒ Relationship with Other people or human being like:- father, mother, sister, friend etc.
- ⇒ Human being wants a good relationship with all of them to be happy

There is need of right understanding at all 4 level

- Myself → how we interact with ourself
- Family → involve interaction with family & other relatives
- Society → interaction with friends, neighbors and other members.
- Nature → our connect with the natural world.

For fulfilling human aspiration, human works on 3 steps

1. Right understanding

2. Relationship

3. Physical facilities

But today, people are focusing largely on 3rd step most of the time.

On the basis of this people are divided into two types

1. SVDD
2. SSDD

Those who do not have physical facilities/wealth and feel unhappy and deprived are called SVDD.

SVDD:- Saadhan Viheen Dukhi Daridra

- i.e. material deficient, unhappy, deprived.

⇒ Why people suffer from SVDD state?

Because they do not have right understanding

Those who have physical facilities/wealth and feel unhappy and deprived are called SSDD.

SSDD:- Sadhan Sampann Dukhi Daridra

- i.e. material affluent, but unhappy and deprived

⇒ Why people suffer from SSDD state?

Because they do not have right understanding and right understanding of relationship

⇒ Do you want to be in SVDD or SSDD state?

Answer will be NO

Everybody wants to move in the state of having physical facilities and feeling happy and prosperous

SSSS:- Sadhan Sampann Sukhi Samridh

- i.e. material affluent, happy and prosperous
